Commitment Form

Dear Colleague

Under League Rule 14A you are asked to give notice, in writing, of your clubs intentions for the coming season, I therefore request that you complete this form and return it to me by Saturday 28th April 2007.

The Management Committee will presume that it is your intention NOT to be continuing membership in this League, should any club fail to submit their relevant forms by the above date, therefore it is extremely important that this form be returned by the date stipulated, as failure will result in your club not being a member of the League.

Yours in sport
